Dear Mayor of Mansfield
I'm from Mansfield Primary School
and I want a splash park
because it would help kids make
more friends. Kids would have
lots of fun. Have you seen a
splash park? All the kids are
having fun. Splash parks are
healthy. You get exercise in the
splash park I want a bucket
that tips water, two slides that
you can glide down rainbow
water guns and a bridge with
water squirting at you. I know this
might not be possible but could
you please think about it
