## Mansfield Shire Council **Outlying Communities Infrastructure Fund Guidelines 2024-25**

### Purpose

This document sets out the application guidelines for funding of the Outlying Communities Infrastructure Fund Grant. It is designed to assist prospective applicants in deciding whether to apply for the grant and outlines the process for submitting an application.

This document also sets out the purpose of the Fund and explains who is eligible to apply. It sets out the criteria that will be used to assess applications for funding.

### Objectives

The Outlying Communities Infrastructure Fund aims to support communities to develop or improve community facilities that enhance liveability and improve community resilience and connectivity in outlying communities within the Mansfield Shire.

This will be achieved by utilising the funding amount to provide Mansfield Shire outlying communities with the opportunity to apply for grants of up to \$20,000.

### Funding Details

Grants of up to \$20,000 are available out of a total funding pool of \$75,000. Only one application per organisation will be accepted.

**Grant opens 26 July 2024**

**Draft project workshop date TBC**

**Final submissions closing 5pm 14 October 2024**

### Community Contribution

This fund does not have a set community contribution, however, applicants must demonstrate some contribution from the community to the project grant total.

Eligible contributions include volunteer labour, professional services, donated materials or cash.

#### In-kind contributions, rates and cash

In-kind contribution is a contribution of a good or a service other than money. Including, voluntary labour (for example, painting work), donated goods (for example, kitchen equipment), donated services (for example, professional advice from an architect).

The following information is provided by the Victorian Government to help you calculate your in-kind contribution: <https://www.vic.gov.au/grants-understanding-kind-contributions>

The calculation of your in-kind contribution is based on your best estimates. The following figures may help guide you:

- ▶ Calculate volunteer general labour at \$20 per hour
- ▶ Calculate volunteer specialist labour (for example, engineer or architect) at \$45 per hour
- ▶ Calculate donated goods at the price you would pay for them if they were not donated

Cash donations can come from fundraising events, individuals, foundations, businesses or community groups.

### Application Process

**Grant Opens** 26 July 2024

### Project Workshop

The project workshop is an opportunity to present your draft project to council officers with expertise in Planning Infrastructure and community development for assistance and guidance. Officers will provide guidance in any regulatory requirements or stakeholder involvement that may be necessary.

The projects will not be assessed against any criteria at the workshop.

## Assessment

Applications will be assessed initially by Council Officers to ensure the application is complete and meets the eligibility requirements. If the application is deemed eligible, it is then examined in more detail against the assessment criteria.

An internal multi-disciplinary assessment panel will propose recommendations to Council on funding allocations. Officers from across Council are consulted where specialist advice is required in formulating recommendations.

CRITERIA	WEIGHTING
demonstrated link to funding objective with clear evidence of demand for the project and the ongoing benefits to community	50%
detailed project planning and demonstrated capacity to deliver project successfully	40%
community contribution	10%

Additional weighting may be applied by the assessment panel to ensure the even distribution of funds across the Mansfield Shire's geographical area.

### Grant Terms and Conditions

#### Conflict of Interest

All applicants will be required to declare any interests of which they are aware, which could reasonably raise an expectation of a conflict of interest. Conflicts of interest can be actual, potential or perceived, and should be declared to ensure that any risks are managed.

#### Contracts

A signed funding agreement between Mansfield Shire Council and the recipient is required for all Outlying Community Infrastructure Fund projects.

#### Auspice agency

Applicants to the Outlying Community Infrastructure Fund must be an incorporated organisations. If your group is not incorporated, you need to approach a local, incorporated group and ask if they will 'auspice' your application.

An auspice agency is an organisation that agrees to act as the trustee of your project's funds and assumes financial responsibilities related to successful completion of your project. *Your* group still manages the actual implementation of the project. We recommend that you establish an agreement with your auspice agency outlining roles and responsibilities.

#### Indemnity

Council shall not be responsible at any time for any liabilities incurred or entered into by the community organisation as a result of, or in connection with, any activities undertaken as a result of funding being received.

The community organisation will agree to indemnify Mansfield Shire Council and its staff, from and against any claim, demand, liability, suit, cost, expense or action arising out of or in any way connected with the Project or the activities of the community organisation.

#### Land-owner permission

Land-owner permission (if applicable) must be obtained prior to submitting an application to the OCIF. All legal requirements, permits and permissions necessary to undertake the Project are the responsibility of the community organisation.

#### Completion deadlines

From the date upon which the funding agreement is signed, projects must be completed within 12 months.

#### Grant payments

100% of the grant will be paid to successful applicants after the funding agreement has been signed by both parties and an invoice has been received by Council. NOTE: If you are using your grant to source project funding from another agency, the OCIF grant amount will be committed to your project, the grant payment will not be made until the other funding sources have been confirmed.

#### GST

The fund grants are GST exclusive.

#### Reporting

An acquittal report is required at the end of the funding period or as specified in the term of the funding agreement.
