Subject: New Road Safety (Traffic Management) Regulations 2019 come into Operation

To: Chief Executive Officer

I am writing to advise that notices appeared in a Special Victoria Government Gazette and The Age and Herald Sun newspapers on Monday, 7 October 2019 announcing the decision of the Minister for Road Safety and the TAC to make the new Road Safety (Traffic Management) Regulations 2019 (Regulations) following completion of a Regulatory Impact Statement (RIS) process.

These Regulations replace the previous *Road Safety (Traffic Management) Regulations 2009* which will sunset on 27 October 2019 in accordance with the **Subordinate Legislation Act 1994**.

Following a review by the Department of Transport of all submissions received in response to the RIS, the Minister for Roads has decided that the proposed Regulations as included in the RIS should be made in the same form, with the inclusion of some minor and technical amendments.

A copy of the new *Road Safety (Traffic Management) Regulations 2019* may be obtained via the following links to the VicRoads and Department of Transport webpages:

A copy of the new Regulations can also be downloaded from <http://www.legislation.vic.gov.au/>

Kind Regards
