| Origin | Manager People, Communications & Governance | Reviewed | July 2025 | Version | 3 |
| Authorising Officer | Endorsement by Council | Effective From | 16 December 2025 | Records Reference | E6104 |

Purpose/Objective

The purpose of this policy is to outline Mansfield Shire Council's (Council) commitment to risk management and overall intention and direction in relation to strategic, operational and project risks that have an impact on the achievement of Council's objectives.

This policy provides the overarching principles for Council's Risk Management Framework which includes the Risk Management Plan and Audit and Risk Committee. The Framework will enable a formal, structured approach to risk management consistent with the principles of AS ISO31000:2018 Risk Management – Guidelines.

Policy Statement

Council is committed to the process of identifying, quantifying and managing risk to maximise opportunities and minimise adverse outcomes on the objectives of the Council. In doing this, Council will:

- ▶ Consider risks associated with achieving Council's objectives in accordance with the Council's risk appetite.
- ▶ Ensure the criteria to be used for risk assessments are those detailed in the Risk Management Plan.
- ▶ Ensure accountability for activities within Council's Risk Management Plan is allocated to those with the levels of authority necessary.
- ▶ Develop and maintain a Strategic and Operational Risk Register.
- ▶ Provide opportunities for training for employees with roles and responsibilities within the Risk Management Framework.

- ▶ Undertake reporting on risks in accordance with the Risk Management Plan.
- ▶ Ensure all adjustments to the Risk Register, including addition of risks, removal of risks and/or changes to risk level are undertaken in accordance with the Risk Management Framework.

Scope

This policy applies to all service and functional areas of Council operations and is to be understood and implemented by all employees, Councillors, contractors, consultants, volunteers and other authorised personnel undertaking any function for or on behalf of Council. Risk management is not a stand-alone function and all parties have a responsibility to manage and mitigate risk. It is an integral part of all organisational processes, including strategic planning, project and change management process.

Definitions

| Term | Definition |
|---------------------------|--|
| Risk | Effect of uncertainty on objectives. |
| Risk Assessment | Process of identification, analysis and evaluation of risk. |
| Risk Management | Coordinated activities to direct and control an organisation with regard to risk. |
| Risk Management Framework | Set of components that provide the foundations and organisational arrangements for designing, implementing, monitoring, reviewing and continually improving risk management throughout the organisation. |
| Risk Management Process | Systematic application of management policies, procedures and practices to the activities of communicating, consulting, establishing the context, and identifying, analysing, evaluating, treating, monitoring and reviewing risk. |

Responsibilities

Overall responsibility for the application of this Policy is held by the Chief Executive Officer.

The following is a broad overview of the roles and responsibilities as they relate to this policy. The full list of roles and responsibilities relating to the management of risks are detailed within Council's Risk Management Plan.

| Position | Responsibility |
|---------------------------------------|--|
| Councillors | Reviewing and adopting the Risk Management Policy and Risk Management Plan and applying risk management principles. |
| Audit & Risk Committee | The Audit Committee is responsible for oversight of the risk management process across Council including monitoring the implementation and effectiveness of the Risk Management Framework. |
| Internal Audit | Evaluate, test and report on the design and effectiveness of internal controls in place to manage the key risks of Council. |
| CEO (Chief Executive Officer) | Promoting a strong risk management culture across the organisation and ensuring a Risk Management Framework is in operation. |
| Managers | The Manager of each department is the risk owner for strategic, operational and project risks within their department's control. |
| Governance & Risk Department | Coordinating the review of the Risk Management Framework, providing risk related support and advice to the organisation and management of the Risk Register. |
| OHS Officer | Responsible for maintaining the OHS framework, overseeing coordination of the OHS Committee and maintaining incident and hazard registers. |
| Employees, Contractors and Volunteers | Understand and observe Council's Risk Management Framework. Monitor and manage risk as appropriate to their role and participate in any consultative process. |
