

LEAPing into Resilience

HELLO

Neighbour!

Staying connected before and after emergencies increases our ability to support one another and strengthens the resilience of our community. I'd like to meet up to talk about emergency preparedness.

Hello! My name is _____

I live at _____

My phone/mobile number is _____

Our community, _____

is prone to natural disasters such as

We could meet up and discuss any of the following:

Preparing a First 72 Hours Plan

Getting familiar with our LEAP (Local Emergency Action Plan)

Discussing key locations and information about our street and community

Exploring how we can support each other and our families in the event of an emergency

Joining our local CFA/SES or community group.

Please call or text me if you'd like to catch up!
