PERMIT CONSIDERATIONS WHEN ASSESSING AN APPLICATION:

In addition, Council will consider the following:

- The location of the land
- The zoning of the land
- The suitability of the land for camping including, but not limited to, the size of the land and proximity of abutting dwellings
- The number of tents or other structures to be located on the land and the number of proposed occupants
- The length of time the tents and other structures will be erected on the land
- The frequency and duration of permits issued for camping in the past 24 months
- The availability of sanitary and toilet facilities on the land
- Whether the camping is for the purpose of housing for the applicant while a home is being erected on the land
- The impact on the amenity, including visual amenity and the quiet enjoyment of the area
- Any other matter relevant to the circumstances associated with the application.
