MANSFIELD SHIRE COUNCIL		
27 NOV 2018		
FILE NO	2	10 P
ES/66		

I am writing this submission in reference to the Council's proposal to seal, kerb and channel Ryan Street.

The residents of the street agree as a collective that the road needs to be sealed and kerb, channel and minor drainage works. However we do not agree that we should be paying the estimated figure at \$6250. for ~~work~~ stated in our previous letter.

We believe that we should be paying \$3240 which is the amount that we calculated to be the kerb & channel & minor drainage.

Had this road been sealed decades ago when residents were told it's a private road and has nothing to do with the Shire we wouldn't be looking at the \$6250 figure right now.
