The Minister for Planning in his Minister's Guideline MG/12 has set out the Objectives and Decision Guidelines in respect to regulation **83** that Council must have regard to when considering varying a design and siting standard.

**Note:** If any matter set out in the guidelines is not met, then Council **must refuse** consent.

To assist Council in determining if the Objective and Decision Guidelines have been met, please describe how your application meets the following appropriate assessment criteria

MANSFIELD SHIRE

**Objective**

To limit views into existing secluded private open space and existing habitable room windows.

**Decision Guidelines**

- a)The proposed building will not significantly impact on the amenity of existing dwellings on nearby allotments and/or any associated secluded private open space; **or**
