The Minister for Planning in his Minister’s Guideline MG/12 has set out the Objectives and Decision Guidelines in respect to regulation **74** that Council must have regard to when considering varying a design and siting standard.

Note: If any matter set out in the guidelines is not met, then Council **must refuse** consent.

To assist Council in determining if the Objective and Decision Guidelines have been met, please describe how your application meets the following appropriate assessment criteria

Objective

To ensure that the setback of a building from the street respect the existing or preferred character of the neighbourhood and make efficient use of the site.

Decision Guidelines

- a) The setback will be more appropriate taking into account the prevailing setback within the street; **or**
