The Minister for Planning in his Minister’s Guideline MG/12 has set out the Objectives and Decision Guidelines in respect to regulation **80** that Council must have regard to when considering varying a design and siting standard.

Note: If any matter set out in the guidelines is not met, then Council **must refuse** consent.

To assist Council in determining if the Objective and Decision Guidelines have been met, please describe how your application meets the following appropriate assessment criteria

Objective

To ensure that the location, length and height of walls on a boundary respect the existing or preferred character and limits the impact on the amenity of existing dwellings.

Decision Guidelines

a) The location, length and/or height of a wall will be appropriate taking into account the prevailing location, length and/or height of boundary walls of existing buildings on nearby allotments; **or**
